## THE VISIONARY LEADER: HOW TO INSPIRE SUCCESS FROM THE TOP DOWN

Susan Bagyura blends professional advice with straightforward explanations and the result is the understanding of the effective way to lead, which also fosters creativity and intellectual growth. She will guide you through the process of:

What you can do to access and then bridge the gap between what you know to do and what you are actually doing.

Learn how to tap into your creativity and those around you and leave the competition behind.

Learn how to avoid the 3 major mistakes people make when setting goals and then watch the quantum leaps in performance.

And so much more!
